Hi Tom,

It's good to hear from you. Thanks for letting us know that you have a date set. That's exciting. Do you have a draft agenda and a list of other invited speakers, if any?

I'll talk with Sam and our public affairs liaison and hopefully get back to you by the middle of next week with what we have found out re: Alexis's schedule.

Have a good weekend.

Best,

Erica

Subject: Presentation of the Coastal Research Institute

Sam and Erica,

A date has finally been pulled. Looking at the 9th of November. Still looking to find out if Alexis would be available and interested. I think Tomas would also be very welcome.

Haven't been in touch with you all for a few weeks; I hope you are well!

Cheers,

Tom
